www.casademert.ro

Step 4 – Registration

To view offers, requests and the members of CasaDeComert DataBase is necessary to register your company in our database.

In the data entry form shall be completed information about the company - address, contact information, tax identification elements, and so on.

The screenshot displays the 'CasaDeComert Database' web application interface. The main heading is 'Company Registration'. On the left sidebar, there are several menu items: 'Language' (set to English), 'Search', 'Primary Data' (with a 'Register' button highlighted in a red box), 'Offers' (with 'View Offers'), 'Requests' (with 'View Requests'), 'Services' (with 'View Services'), and 'Options' (with 'Skins'). The main content area shows a form for 'Company Registration' with tabs for 'Status', 'Company Informator' (highlighted in a red box), 'Details', 'User Account', and 'Rules and Regulation'. The form fields include: Company Name, Address, Landline Phone, Mobile Phone, Fax, Web Site, eMail, Bank, Bank Account, VAT Number, Register of Commerce Number, Contact Person, Phone, and Position. At the bottom of the form, there is a note: 'Registration in the the database implies acceptance of Rules and Regulations'. The footer shows '© 2011 Gambeta Software' and a 'Connection Speed' indicator at 30%.

In the field "Details", you can fill in other information about the company you want to register, as legal form, profile, structure, turnover, number of employees etc.
